The Wave Scotland is organised by Stop Climate Chaos Scotland, a coalition of around 60 organisations campaigning together on climate change

Stop Climate Chaos Scotland is a charity, registered in Scotland, no SC039643

**On Saturday 5th December, a wave of people will flow through the streets of Glasgow to demonstrate their support for urgent action on climate change.**

The Wave will take place just before international leaders meet in Copenhagen to secure a global deal to avoid dangerous climate change.

Together in Glasgow, the people of Scotland will call on the UK government – representing us at the Copenhagen talks – to:

- share Scotland's ambition to tackle climate change, as shown in our Scottish Climate Change Act;
- secure a fair deal that will urgently reduce greenhouse gas emissions; and
- help the poorest people in the world to adapt to the changes in climate that are already affecting their lives.
